### **Clean up**

A general cleanup of the complex has been organized and will be done in stages. The first area to be cleaned out is along the north property line, then along the southern border from the G to the H buildings. Other areas to follow.

### **Gutter Cleaning**

The gutters will be inspected and cleaned if necessary on 11 May.

### **Tree Spraying**

Spraying for aphids will be done in late May or early June. Owners will be notified beforehand.

### **Painting**

The A, B and C buildings will be painted in June. Repair and prep work to the buildings is in process.

The H building is scheduled to be painted sometime in July and will be prepped beforehand.

D, E, F and G buildings will be prepped and painted next year.

### **Landscape Committee**

Our thanks to the two members of the landscape committee, Kay (L7) and Kate (E4), who met on 23 April to discuss options and the way forward. They were joined by Jennifer (B1) and Kate (L1). At this time the areas being considered are:

- (1) the lawn areas on both sides of the L building,
- (2) the island and the areas framed in railroad ties in front of A1 and E1, and
- (3) the deck area.

The next Board meeting will be held towards the end of May or early June.
